WELCOME TO BRIGHTON FRINGE

It gives me enormous pleasure to welcome you to our exciting anniversary season celebrating twenty glorious years of Brighton Fringe.

You're spoilt for choice with hundreds of acts in 150 venues. Huge thanks to Uber Eats for supporting the welcome return of our brochure; helping you to find your perfect events. There is much to see and do this year!

We're an open access festival, which means absolutely anyone can be part of the fun. That's what makes us special - we're all about giving people the freedom to be creative and try out those wonderful ideas they've been dreaming up.

We're keen to keep the fun going all year round too. We're supporting artists with paid work and offering low-cost entertainment for you with our regular artist showcases, the 'Made in Sussex' season and scratch nights. Please keep an eye on our socials and sign up to our mailing list for more information.

Finally thank you to everyone that makes it all happen. The Brighton Fringe Team, board, volunteers, venues, artists and you, the audience.

Welcome to Brighton Fringe and let the celebrations commence!

20 YEARS OF BR

20 years of fearless, flamboyant Brighton Fringe... It's official—Brighton Fringe has been shaking up the city for two whole decades so it's the perfect excuse to take a look back at our journey so far! While the festival's roots go back to the '60s, it became independent in 2006. From 200 events in the early years to over 1,000 by 2019, it now draws half a million fun-seekers annually and injects millions into the local economy. It's awarded over 300 bursaries, offering support to hundreds of emerging artists, built international relationships and helped establish Brighton Spiegeltent in 2013. Not too shabby, eh? There have been plenty of memorable moments over the years: Tim Minchin, Jimmy Carr, Gina Yashere, Romesh Ranganathan, Seann Walsh, and Luisa Omielan all cut their teeth here - and It's been the stage for death-defying acts like La Clique, Circus Abyssinia, Head First Acrobats, and NoFit State Circus. Who remembers the first-ever Kate Bush Experience in 2013? A tiny Brighton gathering that went global! Or that time Fatboy Slim dropped a surprise DJ set at a kids' disco? And, of course, the legendary Lady Boys of Bangkok—our longestrunning show!

We're over the moon to be the Brighton Fringe's partnered charity for 2025! CTS is the only day centre in Brighton & Hove for 16-to-25 year olds experiencing homelessness, helping young people move from crisis to stability. We're open five days a week to provide a safe space, practical and emotional support, a hot lunch, shower and laundry facilities, daily activities, and a place to do the day-to-day things that can be difficult without a place to call home.

We're based right in the heart of the city, supported by our amazing local community. We don't get any government or council funding - our running costs are met by donations from generous people like you, businesses, community groups, schools, and both local and national Trusts & Foundations.

If you would like to support CTS with a donation or learn more about us, scan here →

SALZ THE OLD MARKET

In 2025 our building turns 200, and The Old Market Charitable Trust celebrates one year as a charity!

Independent grassroots venues are facing unprecedented times, and it feels like not a day goes past without a local institution or hidden gem being lost.

We need to raise £100,000 by December 2025 in order to meet urgent upgrade needs and secure our long-term financial position.

We've always been shy about directly asking our community for support, but in 2025 we are asking you to consider giving us a birthday present we won't forget!

YOU CAN FIND OUT MORE & GIVE HERE: WWW.THEOLDMARKET.COM/BIRTHDAY
